MEMORANDUM FOR: SECRETARY, INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: Budget Analysis on Overt Intelligence Collection (U)

Reference: IAC-D-77/4 (Revised)

The following amendments are proposed to IAC-D-77/4 (Revised):

1. Page 6, para 1g(3), line 2: Insert a comma between "State Department" and "NIS."

2. Page 7, para 2: First and second paragraphs--delete and substitute the following:

"The several agencies' requests are adequate only to support minimum essential requirements. Certain personnel shortages continue to handicap the overt collection effort of the intelligence community. This deficiency is applicable particularly to the fields of publications procurement, agricultural reporting and Foreign Service peripheral reporting."

3. Page 9, last subparagraph of para 2: Delete and substitute the following:

"Improvement in overt military intelligence collection is dependent primarily upon an increase in the scope of all intelligence collection operations."

4. Page 10, para 3b: Delete.

5. Page 10, para 3c: Delete all after first sentence.
